

AW26 G1 Grade 50 Bays Flat Pack Curtains ME

Dunelm
The Home of Homes

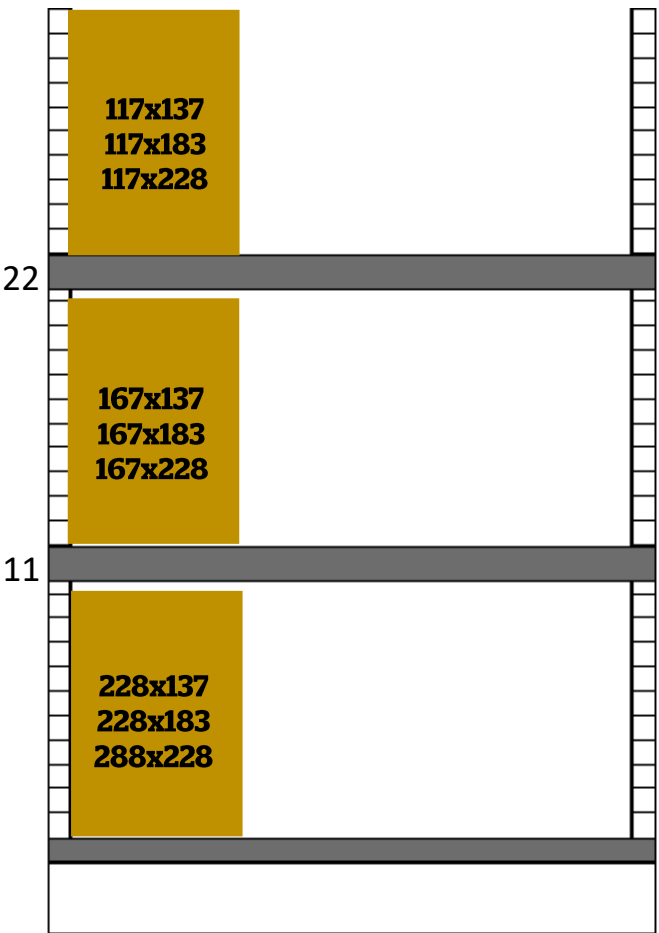

Example Low Bay Layouts

We have updated the layouts for low bay stores.
The layouts will now flow across the run rather than bay specific.
This will help keep colours together and use the plain ranges to break up patterns, making it more visually pleasing to the customer.

G1 – 50 Bay Core Colour ME

Please note that the below layout is based on stores with perfect space.

Should you have excess space on Flat Pack Curtains please opening out on the ranges listed below.

Where you have less bays, please consolidate ranges where possible.

Adapt the Core Colour ME to fit your department layout.
