

Make & Mend Autumn 26 Supporting Documents

Flow Example.....

C Grade - 17 Bay Flow Example....

All ME layouts have been completed to reflect high & low store fixtures— ME's supported are grades A/A1/B/C/C1/D/E/F

- Step 1:** Identify your store specific grades via Intouch or by using this link: [Store Specific Grading Link](#). If your grades are wrong contact ME via Service Now
- Step 2:** Plan your department layout using the space table & layout examples shown here, this should be applied with consideration to your own equipment.
